The only thing I wanna now
Are you ready for the spider-show?
You never forget what you have found
We bring you the gabba sound

It's not important if you're poor or rich
A Lawyer or son of a bitch
You need no stocks you need no cash
We are your drug give you a flash

<<Bridge >>

<< Ref >>

We'd like you to sing and dance
Come on rock and lets get friends
We want you to shout out loud
become part of our crowd

You don't know us that's ok
The only thing we want to say
After this night we'll hope you see
You're part of our family
