

Paardy on...

(Music and Lyrics by Jackson Spider)

Paardy on...

Paardy on...

Paardy on...

punkrock will save the world - come on
drink a pint of beer with us - come on
just shake a leg and dance - come on
lift your shirt and show your tits - come on

rollin' on.... keep rollin' on

sing your favourite songs - rock on
grab a crazy girl or boy - rock on
scream and dance like hell - rock on
you will never be too loud - rock on

rollin' on... keep rollin' on...

let the music be your guide - paardy on
they will never bring you down - paardy on
just let your spirit fly - paardy on
until the ladt will say goodbye - paardy on

rollin' on... keep rollin' on...
rollin' on... forever rollin' on...

paardy on.... paardy on... paardy on...
